

*We are delighted to welcome you back to enjoy a relaxing time with us here at West Street Vineyard!*

*We very much hope you will enjoy our new concept, and menu, which has been developed to ensure less contact between you and our crew. The menu is built on the idea of smaller, sharing dishes that have been chosen to go perfectly with our West Street wines.*

*we recommend 3+ per person*

## DRINKS LIST

---

As we are uncertain about what the future holds, we need to keep our stock levels down whilst we learn how to live, and operate as a business, with Covid. We are therefore, for the time being, only selling our own West Street Vineyard wines, and only by the bottle to avoid contamination risk. You are more than welcome to put the cork back in the bottle and take it home with you to enjoy. Should you find yourself having finished the bottle, you can still bring some home, as we also sell our wines from our Wine Shop!

As the guidelines are unclear regarding serving drinks in open vessels, we are initially not offering coffee or tea. For the same reason we are recommending pre-bottled water, however, should you wish tap water for your table, that will of course be provided. This is under constant review, but we have chosen to err on the side of caution in these early days of being open again, to maintain the highest possible safety for our guests and crew.

---

### COCKTAILS

*our cocktails are from the award-winning company **tapp'd** and come in a bottle.*
